Employee Holiday Fund

Dear Riverside Member,

Once again it is that time of the year when the Board of Directors requests your voluntary contribution to the Employee Holiday Fund at Riverside. Your contribution will be divided among all Riverside employees. We believe this Holiday gift from the membership is a major influence in sustaining the morale and pride of our many loyal employees. We hope to distribute most of this fund by mid-December, therefore we urge you to make your contribution as early as possible. You may send a check by mail, drop off to our payment drop box or via an email to Mandy Dredge, Director of Membership & Marketing, at mandy@riverside-country-club.com. **Thank you for your contribution, and BEST WISHES for a Happy Holiday Season.**

Sincerely,

Riverside Board of Directors

Tee Sign Sponsorship Information

The Tee Sign project is almost complete. We've gained many sponsorships, however we still have 8 sponsorships available to the members before we open the opportunity to non-members. The purpose of this project is to have nice looking, long lasting, durable permanent tee signs for each hole. The signs will be paid for by business sponsors with our members having the first opportunity to be sponsors. The funds generated from the sponsorships will be used to pay for the tee signs and to generate funds that will be specifically designated to the golf course; i.e. cart paths, tees, bunkers, etc. An example being replacing over time the gravel cart paths on the front nine to concrete paths such as we have on the back nine.

For more information or to view the Sponsorship Agreement, including pricing, please reach out to Director of Membership & Marketing, Mandy Dredge at mandy@riverside-country-club.com. Information is also available on the member's only side of the website.

Thank you for your ongoing and continued support of Riverside Country Club.

Cross Country Skiing

Soon, the snow will begin to fall and accumulate. Our ski trail will be set and ready for use as soon as adequate accumulation has been reached. We will be sure to send out updates along the way. Each winter, the following letter is communicated to the membership in various forms regarding the Riverside Country Club cross country ski trail system and the requests we make for the health of the golf course as it pertains to this winter activity. Please pass this information on to your cross country skiing friends and help us in our efforts to maintain and improve your great club.

After a significant snow event, the areas to be addressed are prioritized as follows:

- Club and tennis parking areas
- Club walks
- Paddle courts

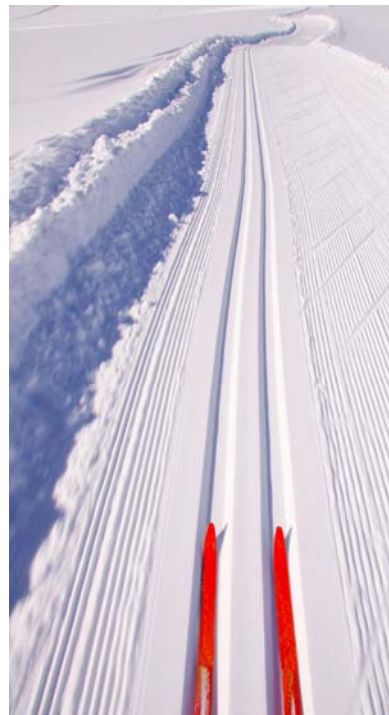

Cross country ski trail system (Depending on the amount of snow, it may take a couple of days to get the trail system groomed and the trail set. Please be patient.)

Trash cans and plastic bags will be located around the trail system. Please use them as much as possible.

The trail system begins and ends at the north end of the club parking lot. This location is the only entrance and exit to the trail system. Please park your vehicles at the north end of the parking lot to begin your activities. In general, this area provides plenty of parking space and room to load and unload your equipment and to let your dogs run around without getting into traffic in the main areas of the club parking.

PLEASE STAY ON THE TRAIL. The trail system has been routed so as to minimize wear and damage to the grass on the golf course. Ultimately, the golf course is the most important, and valuable, outdoor facility of your club. The isolated compaction of the individual skier will damage the grass, especially the low cut grass on the greens, tees, and fairways. This damage is visible in the spring and will take extra care to repair the damage. The existing routing provides miles of good, beautiful skiing while minimizing damage to the golf course.

Thank you for your help and understanding.
