MSU Football Tailgates

Stop by Riverside's Tailgating Party at the Stadium!

MSU Football is about so much more than just the game. While football is the main reason why MSU fans congregate for home games each year, the game serves as only one piece of the puzzle. Riverside is continuing the tradition by hosting a tailgate party for 4 of the MSU home games. Stop by, visit with the staff and other members and enjoy complimentary appetizers, drinks and camaraderie. Go Cats!

From the Board of Directors

The Search Committee has explored three directions to fill the General Manager vacancy. They interviewed Troon Golf, a club management company, a top golf personnel recruiting firm, and reviewed individual resumes that we have received. The qualified candidates were passed to the Interview Committee.

The Interview Committee has interviewed the qualified candidates and is making a recommendation to the board. The board of directors will continue to update the membership with the progress toward filling the General Manager position.

Membership Committee

Join us!

The Membership Committee is looking for members to help welcome new members! The Membership Committee monitors aspects of membership, including invitation, retention and education—bringing in new members, teaching them about Riverside and then ensuring that the member experience meets everyone's expectations. That's no small job! If you are up for the task, please email Mandy at mandy@riverside-country-club.com.

Want to serve on the Board of Directors?

In accordance with Article II Section 6 of the RCC Bylaws, the Board of Directors appointed a nominating committee to find interested members to serve on the RCC Board.

The board members whose term will expire this November are:

Robert Hathaway
Cory Pulfrey
Jill Pike

The nominating committee held its first meeting. In this meeting, they focused on two areas:

1—What specific skills are not represented with the current Board members and, in the opinion of the committee, would be helpful to have representation in these areas.

2—What traits should we look for in board members?

Traits that we identified are ---- integrity; willingness to commit time and energy to attend and participate in board, committee and special meetings; team player; willingness to promote RCC ; and willingness to represent all members of the club.

The nominating committee strongly requests that if you have an interest in serving on the RCC Board, and in particular if you have skills that would complement the skills that current board members are bringing to the table to help our club be successful, that you contact the nominating committee. We would also like to ask you to tell us if you know of a member who you feel has the ability to make a positive contribution to the RCC Board and we will follow up on your suggestion.

If you have this interest, please submit your name and biography that discusses why you are interested and what qualifications that you have that will make you a good board member. If possible please submit this by e-mail to Loren Katzenberger at lorenkatz@gmail.com. If e-mail is not an option, this information can be dropped off at the office at RCC. **We need this information by September 7**, so that the committee has adequate time to review applicant information and submit a report to the Board.

Thank you for your time, and we really hope to hear from you. We have a great club and a wonderful membership. We need to keep making things better.

Sunday Hours

Brunch
